

Alliance

Series Mixing Machine

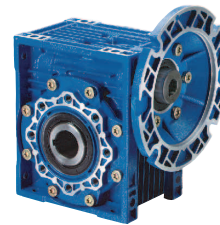

1.7 M ALLIANCE 5 (A5)

Shelf: (5) moving parts per shelf with non-stretch steel reinforced belts

Solid Side Panels:
(2) powdercoated steel side panels per shelf

Direct Drive: Gear-reduced drive system eliminates motor belts/motor pulleys

FEATURES & BENEFITS

- **Quick Assembly:** Assembles in less than 20 minutes.
- **Maximum Safety:** No possible contact with any moving parts. CSA Approved.
- **Versatile:** The 1-liter/quart or 3.5-liter/gallon shelf can be positioned wherever needed.
- **Easy Maintenance:** No disassembly required to change a motor or a belt.
- **Modular:** Easily upgradeable by simply adding or removing shelves at any time.
- **Quiet Operation:** It is the result of the direct drive system and fewer moving parts.
