No assembly required! Fully assembled out of the box. Simply connect the Thrift-O-Matic to power.

Features

- **Strong and Durable**

The 1/4 HP Electric Motor operates only eight or sixteen cans which is strong enough for heavier paints and primers. The simple design has been tested for years and proven itself to be a long lasting solution for many users.

- **Easy Operation**

A can with mix lid can easily be placed on or removed during operation. The simple on/off switch controls operation.

- **Adaptable**

While designed to fit gallon cans, the Thrift-O-Matic Machine can use with a magnetic quart platform to allow either quart or half liter cans with mix lids.

Mixing lids and platforms sold separately
