THRIFT-O-MATIC EIGHT GALLON MIX MACHINE

WIDTH: 176 cm / 70 in
HEIGHT: 41 cm / 17 in
DEPTH: 22 cm / 9 in
WEIGHT: 36 kg / 80 lbs
PART #: 008040-T

Thrift-O-Matic motors are explosion proof, rated for Class 1, Division 1, Group D, hazardous locations. Each motor is 3/4HP, single phase, 115V, 60Hz with 8.7 FLA (1050 Watts).

No assembly required! Fully assembled out of the box. Simply connect the Thrift-O-Matic to power.

Features

- **Strong and Durable**

The 3/4 HP Electric Motor agitates eight or sixteen cans and is strong enough for heavier paints and primers. The simple design has been tested for decades and proven itself to be a long lasting solution for many shops.

- **Easy Operation**

A can with mix lid can easily be placed on or removed during operation. The motor is controlled by an intrinsically safe electronic timer that operates on 5 volts DC.

- **Adaptable**

While designed to fit gallon cans, the Thrift-O-Matic Machine can use a magnetic quart platform to accept quart or half liter cans with mix lids.

Mixing lids and platforms sold separately
