Alliance Programmable Timer

Optional upgraded timer for Alliance Machines

PROGRAMMABLE ALLIANCE TIMER

PART #: SA0583

The NEW programmable timer uses the same wiring and connections as prior Alliance timers.

Making it very easy to upgrade.

Features

- Easily upgrade an existing Alliance timer
- Program to power on and run for a 30 minute cycle twice a day every day
- Simple push button set up and operation
- New Digital Display
- LED Lights show cycle choice and operation
- The red button stops the machine at anytime during operation
- Battery back up in case of power loss
- Three cycle options of 3, 15, or 30 minutes at any time

Auto Start / Stop

30 Minute Cycles Twice a day

and a 3, 15, or 30 minute cycle

anytime you need!

CAUTION:

The timer will **NOT** give warning before it starts a programmed cycle!

Always turn off power at the breaker before any service to the machine.
